

# A history of English gardening, chronological, biographical, literary, and critical

This book, A History of English Gardening, Chronological, Biographical, Literary, and Critical: Tracing the Progress of the Art in this Country from the Invasion of the Romans, by George William Johnson, is a replication of a book originally published before 1829. It has been restored by human beings, page by page, so that you may enjoy it in a form as close to the original as possible. This book was created using print-on-demand technology. Thank you for supporting classic literature.
