

The White House Cook Book (Illustrated)

This book is an illustrated version of the original The White House Cook Book by Mrs. F. L. Gillette. “In presenting to the public the WHITE HOUSE COOK BOOK, the publishers believe they can justly claim that it more fully represents the progress and present perfection of the culinary art than any previous work. In point of authorship, it stands preëminent. Hugo Ziemann was at one time caterer for that Prince Napoleon who was killed while fighting the Zulus in Africa. He was afterwards steward of the famous Hotel Splendide in Paris. Later he conducted the celebrated Brunswick Café in New York, and still later he gave to the Hotel Richelieu, in Chicago, a cuisine which won the applause of even the gourmets of foreign lands. It was here that he laid the famous spread to which the chiefs of the warring factions of the Republican Convention sat down in June, 1888, and from which they arose with asperities softened, differences harmonized and victory organized.”
