

Victoria Elegant Napkin Folding: Creative Ideas for a Beautiful Table

When the finest china and polished silverware sparkle on a beautiful tablecloth, when a lovely floral centerpiece adds an extra note of grace, when shimmering candles create romance, no ordinary napkin will do. So transform those simple linen squares into something dazzling with this new edition of Victoria Elegant Napkin Folding. With precisely photographed instructions, this primer explains the simple techniques, and the projects—divided into chapters focusing on elegance, charm, and whimsy—range from the pretty Water Lily to the sweet Maidens Cap, from a frilly deco-style fan to the dramatic, origami-like fleur-de-lis.
