

Gather: Memorable Menus for Entertaining Throughout the Seasons

In this beautifully photographed book, renowned cookbook author Georgeanne Brennan brings a refreshing feeling of seasonal simplicity to the art of entertaining year-round. She invites readers to consider any occasion to gather people to the table: honoring parents in the springtime, Chinese New Year in the winter, a summer solstice party, or Thanksgiving two ways (traditional and vegetarian). For each season Brennan offers four to five complete menus with a tantalizing array of starters, finger foods, entrees, and desserts. In addition to 90 recipes, *Gather* includes decorating and cooking tips for setting the mood and ideas for saving time. A Book Club Buffet, Movie Night, and A Wedding to Remember are some of the many gather opportunities, each with its custom menu-in this inspiring book.
