

## Easy Gardens Volume 6 - Flowering Bushes

“Easy Gardens Volume 6 “ Flowering Bushes explains how to have a beautiful garden 12 months a year with little or no work. Your bushes can bloom from later winter to fall and be gorgeous all year long. See the list of my favorite easy-to-grow bushes which require no maintenance. For 20 years I lived in Philadelphia and had a shady and sunny garden which bloomed 12 months a year with little or no maintenance. You, too, can do this. It seems almost unbelievable, but in one year you can have fun and watch your easy garden grow. **SELECT A QUICK AND EASY GARDEN STYLE** to match your needs. Decide what you want to do in your garden, look at the physical layout and shape of your garden, choose the color and texture of your flowering bushes and plants by following the easy steps presented in 116 pages. **PREPARE THE SOIL** or use the raised bed designs which do not require digging. I even used raised beds for my azalea bushes as my mountain soil is too rocky. **SELECT THE BUSHES AND PLANTS** by growing season so that you can have flowers blooming most of the year in the shade or sun. Each year they will grow, bloom and die back on their own. Do the work one year and reap the harvest for many years to come. **PLANT YOUR FLOWERING BUSHES** so that few weeds can grow, water them the easy way and enjoy your slice of Heaven. Do the work one year and reap the benefits for many years to come. Learn about selecting, planting and enjoying bushes as they become beautiful every year with their blossoms, colorful leaves and berries. You can also choose evergreen bushes so that you have a wide range of colors, shapes and designs in your garden all year long. Valuable information is also included in these 116 pages on compost, fertilizer, mulch, weeds, disease and where you can find bargains and free plants. Enjoy “Easy Gardens Volume 6 so that you can have a

beautiful garden 12 months a year with flowering bushes by following the simple steps. You can purchase the complete book, "Easy Gardens A to Z, at [www.amazon.com](http://www.amazon.com) The original "Easy Gardens A to Z (with 348 pages) is a compilation of all I have read and learned firsthand over the years. It is written in a format both beginning and experienced gardeners will find easy to follow, using common names for plants. It requires little or no maintenance for your garden to look beautiful year around if you follow the directions in "Easy Gardens A to Z" the only book you need to purchase. Guided by the table of contents, you will readily find answers to all your questions: \*FROM designing your garden by following the easy steps in the 47 garden designs plus hundreds of other design ideas; \*TO designing decks, paths and water features; \* TO preparing your soil or using the no-dig raised bed designs; \* TO planting and maintaining shady and sunny perennial and annual flowers, vegetables, fruits, bulbs, grasses, climbers, bushes and trees; \* TO dealing with garden compost, fertilizer, pests, weeds and disease; \*TO reaping your harvest. You can have fun and feel pride in your gorgeous year-around garden which takes little or no work. "Your gardening book is very concise and practical. If one puts into practice the instructions and information that you have parlayed " spectacular gardens will be the end result. Well done. Margarita Kybartas "Your garden in Philadelphia was spectacular. You used a lot of land and it wasn't difficult to always have something in bloom. Betsy Weiss "Congratulations to you on your practical, easily understandable and delightful book, "Easy Gardens A to Z, that has over 300 pages chock full of everything a gardener wants and needs to know to plant a lovely garden. It is nicely painted with personal vignettes from your own experience. It felt like a lovely garden walk when reading it. Margaret Salisbury
