

## Pocket Guide to Shade Perennials (Timber Press Pocket Guides)

Rich with descriptions and illustrations of more than 1000 readily available species and cultivars that will enliven and thrive in your shade garden. The easy-to-read format, illustrated with more than 300 photographs, makes this the perfect handy reference. You will find definitions of shade intensities; information about plant cultivation, maintenance, and pests and diseases; as well as lists of plants for specific landscape uses. Also included is a list of specialty nursery sources that carry shade perennials.
