

A Little Book of Woodworking Joints Including Dovetailing, MortiseandTenon and Mitred Joints

A handbook perfect for the amateur carpenter or keen beginner. An easy to follow guide to the mitre, dovetail and mortise and tenon joint. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
