

103 Additional Training Games

How can I enhance a teams performance? How do I improve an individuals perception? How do I energise, break the ice or improve communication? Continuing the successful Training Games series, Gary Kroehnerts 103 Additional Training Games is a collection of totally new activities designed to promote structured workplace learning. Aimed at both the new and the experienced trainer, 103 Additional Training Games presents a fresh range of inspired learning exercises that can be used in individual or team-training programs. Game categories include: Icebreaker, Team building, Communication Facilitator/presentation skills, Mid-course energiser, Problem solving, Learning Perception, Evaluation, and Self-management. These games are designed to be relevant and un intimidating and are suitable for trainers, facilitators, supervisors, human resource managers and consultants who wish to expand their collection of proven ideas and learning exercises.
