

Garden Decorator: Making the Most of Outdoor Space

Your garden is so much more than a random assemblage of plants. Make yours a vibrant work of art with *The Garden Decorator*. This useful and creative manual guides you through all the color choices and other aspects you have to choose from in order to create just the right setting. Applying interior decorating ideas to outside spaces, with a dash of horticulture thrown in, the inspiration and practical techniques in this book will be indispensable to anyone who wants to transform their outside area into a stylishly decorated outdoor room. There is inspiration for transforming all types and sizes of areas, from using painted pots on tiny urban balconies to transforming a more extensive garden into a suitable place for entertaining.
