

Decorative Painting for the Garden

These creative, cheery projects will brighten up any yard or garden and help a crafter's creativity blossom, too. Bright color photos, painting worksheets, patterns, color recommendations, and a thorough introduction to techniques, brush strokes, and supplies make this guide both appealing and easy to use, even for beginners. The lovely items range from light, cleverly fashioned clay pots to a pretty April Picnic Basket gracefully adorned with sweet peas. Enjoy the soothing sound of water with a terra-cotta Wrens & Hydrangeas Fountain; because it sits on a table, it's also perfect for bringing a bit of nature indoors. Or, make an attractive Babysitter Butterfly Planter. The garden will be well dressed, beautifully embellished, and completely delightful with these charming painted favorites.
