

# 150 Garden Ideas: Over 25 Step-by-Step Projects

Create the garden of your dreams with the 101 tips in this inspirational style guide. Not strictly a gardening guide, the collection of dazzling architectural details and ornaments to make yourself will give your garden the elegance that plants alone cannot provide. Divide your garden into separate rooms with graceful trellis screens; conceal among the vegetation a miniature terrace perfect for the exquisite pleasure of catching the first rays of the spring sun; discover the peaceful beauty to be found under your own shady arbor. Beautiful photographs of these and many other brilliant design solutions allow you to choose from dozens of distinctive fences, pergolas, romantic arches, benches, tree seats, graceful borders, bridges, stepping-stones, even fountains and ponds. Projects ranging from the simplest cupboards to more elaborate mirrored gates and Japanese decking include easy-to-follow instructions and detailed illustrations. A pure delight, provocative as well as practical, this intriguing sourcebook will make all your garden dreams come true.
