

# Ideas & How-To: Garden Structures (Better Homes and Gardens) (Better Homes and Gardens Home)

Gazebos, pergolas, trellises, arbors, and more! This book offers a multitude of ideas for overhead outdoor structures in a wide variety of settings and regional contexts, from small to large scale and from attached to unattached. Cutaways, exploded diagrams, charts, and graphs help readers decide whether to undertake a project themselves or hire someone to do it for them. Chapters on prefabricated structures and available kits as well as extensive comparisons of materials are provided to help readers make intelligent buying decisions. Must-know information on choosing and working with professionals is covered in detail.
