

Creative Ideas for Garden Structures: Practical advice on decorating and building arches, sheds and shelters. An easy-to-follow guide with 100 beautiful photographs

Garden Structures brings together a collection of hard and soft landscaping ideas to add character and interest to your garden. The first half of the book looks at the basics of using form and shape, color and texture. In the second half of the book you will find lots of ideas that can be applied to your own garden, whether it is a tiny urban plot or a country cottage retreat.
