

Great American wreaths: The best of Martha Stewart living

Both a how-to craft book and a decorating guide, Wreaths offers 51 projects for delightful wreaths--complete with step-by-step instructions--honoring the 50 states and the District of Columbia. Designed for use throughout the year, these wreaths are made from materials inspired by their locations: i.e. an oak leaf and acorn wreath as a homage to the nations capital; cranberries for Massachusetts; and golden wheat to symbolize Oklahoma. Full color.
