

Terence Conrans Garden DIY: Over 75 Projects and Design Ideas for Making the Most of Your Garden

Add flair to your garden and value to your property! What does your garden need to look its best--a comfortable bench to rest on while appreciating the beauty around you? A summer house to use for storage...or as an artists studio? A delightfully bubbling water sculpture? This companion to Terence Conrans innovative *DIY By Design* takes do-it-yourself outdoors with these, and other, projects for gardens big and small. Dazzling photographs offer an inspiring glimpse of what others have done, as well as advice on planning a garden and what practicalities to consider. The projects cover five major areas of design: Seating and Eating; Garden Houses; Patios, Paths, and Ponds; Supports and Dividers; and Containers--and theres a complete discussion of tools, materials, and techniques. 130 fail-safe color illustrations enable you to construct an octagonal tree seat, barbecue, rabbit run, jardiniere, walk-through pergola, and more--30 projects in all. 160 pages (all in color), 9 1/2 x 11.
